

# Summer Skill Builders

It's never too early to give your child a jumpstart on the school year. The Learning Lamp's Summer Skill Builders encourage students to practice math and reading skills in a small group setting under the guidance of a certified teacher. It's an affordable way to offer the extra practice your child needs to excel in school. All Classes will be held at our learning center at 108 College Park Plaza in Richland Township. Needs-based full and partial scholarships are available! Class size is limited, so call (814) 262-0732 today to reserve a spot.

## **READING REVIEW Grades 1 & 2**

Reading activities that develop text concepts including sight-word vocabulary, main characters and syllable structure.

Dates: July 28-31 and August 4-7

Time: 10:30 – 11:30 a.m.

Tuition: \$84

## **MATH FACTS Grades 1 & 2**

A math skills review with a twist! We'll reinforce basic math facts through fun games like Corduroy's Math Game, Fact Family Fishing, M & M math graphing and more!

Dates: July 28-31 and August 4-7

Time: 9 -10 a.m.

Tuition: \$84

## **READING REVIEW Grades 3 & 4**

Literacy activities that increase reading rate, prefix and suffix recognition, vocabulary development and identifying literary genres.

Dates: July 28-31 and August 4-7

Time: 9-10 a.m.

Tuition: \$84

## **MATH FACTS Grades 3 & 4**

Refresher course in math facts and more! We'll tackle fractions, decimals, place values, multiplication and division. The class will also touch on problem solving strategies and probability in a fun way!

Dates: July 28-31 and August 4-7

Time: 10:30 - 11:30 a.m.

Tuition: \$84

## **READING COMPREHENSION & LITERACY Grades 5 & 6**

Advanced reading strategies that develop comprehension of different types of writing: expository, persuasive and functional text. Vocabulary development, examining plot structures and character point of view and creative writing forms will also be examined.

Dates: August 11-14

Time: 11:30 a.m. - 1:30 p.m.

Tuition: \$84

## **PRE-ALGEBRA Grades 5 & 6**

An introduction to topics and functions including: numeric fractions, operations on exponents and reciprocals. Step-by-step strategies for solving equations.

Dates: August 11-14

Time: 9 - 11 a.m.

Tuition: \$84

*The Learning Lamp also offers one-to-one tutoring throughout the summer. If your son or daughter needs a little extra help in math, reading or any subject, give us a call. Our sliding scale rates make tutoring affordable for every family!*

*Call us at 262-0732.*
