

FREE Homework Help

Westmont Hilltop Middle School *Monday through Thursday from 3:05 to 4:15 p.m.*

The Learning Lamp is partnering with Westmont Hilltop Middle School to offer a homework help program that's free to all middle school students. This program is offered Monday through Thursday from 3:05 to 4:15 p.m. Transportation home must be arranged by the family.

The homework help program is facilitated by a certified teacher. Parents must sign up students ahead of time by calling the office or sending in a note in from home.

There is a limit of 10 students per day. Students will be walked outside at 4:15 p.m. If a parent needs to pick

up a student prior to 4:05 p.m. please notify the teacher ahead of time by note or email.

Homework help is available every Monday through Thursday during the school year, except when school is cancelled or students are released early. There will be no homework help when there is a scheduled half-day. **For more information, call The Learning Lamp at 262-0732.**

Helping your child succeed in school is our mission.

The Learning Lamp is a nonprofit agency committed to offering high quality educational support to help students succeed in school, regardless of a family's ability to pay for services. We offer one-to-one tutoring for any student in grades K to 12 who needs a little extra help to stay on track.

Educational research shows that students who receive quality tutoring are more likely to make gains in the classroom and on achievement tests. But often, cost is a big hurdle. The Learning Lamp offers assistance to any child who is eligible for free

or reduced lunch through the National School Lunch Program. Tutoring can cost as little as \$6 per session or less if a family is experiencing great financial hardship. For families with greater means, tutoring is an affordable \$24 per one hour session.

Additionally, our services are available in schools and communities across Cambria, Somerset and Bedford Counties.
