PRESCHOOL CAMPS

S'MORE FUN

June 7-11

We're bringing the outdoors in as we build an indoor campfire, tell stories, and sing songs. We'll go on a nature walk and make homemade trail mix in this adventurous camp. 9 a.m. to noon.

KID CONCOCTIONS

June 21-25

Roll up your sleeves and stir up some fun! Get ready for outrageous ooze, sugar crystals, and flying bubbles. Nothing will be silly when we make our own "silly putty." 9 a.m. to noon.

FIESTA TIME!

July 5-9

Can you say Ole? We're heading south of the border to create piñatas, sombreros, and pottery during our Cinco de Mayo celebration. 9 a.m. to noon.

GOING BANANAS

August 2-6

Monkey around just like Curious George. Make yellow hats, explore dirt and sand, and make mini banana splits. Let's get curious! 9 a.m. to noon.

SCHOOL-AGE CAMPS

EEEW! GROSSOLOGY

June 14-18

Discover the science behind the GROSS! This will be one week of non-stop science yuckiness. Make edible skin, snot, shrunken heads, and fake barf. Everything will be oozy, slimy, and smelly. We'll be experts in all things gross! 9 a.m. to 3 p.m.

LOCO-MOTION

June 28-July 2

Get in the groove as we explore different types of movement, learn to tell a story through dance, choreograph our own performance and show it off at the end of the week. 9 a.m. to 3 p.m.

JR. DOCS

July 19-23

Make your own thermometer, extract DNA from fruits and vegetables, and measure lung capacity. You'll find out what makes the human body so fascinating! 9 a.m. to 3 p.m.

EARTH PATROL

August 16-20

It's a great time to protect and patrol our planet. We'll test our Earth IQ, design and create compost bins, build pop bottle terrariums, and fashion "green" artwork from recycled materials. We'll take a hike on the historic Ghost Town Trail and observe nature in action. 9 a.m. to 3 p.m.
