

# 2009 School-Age Summer Camps

Join us for our  
most  
**EXCITING,  
ENGAGING**  
summer camps  
ever!

Students entering grades 1 to 4 are eligible to attend. Camp is \$105 per week with scholarships or child care subsidy available for families who qualify. Camp runs from 9 a.m. to 3 p.m. Early drop-off begins at 7 a.m. and late pick-up is available until 5:30 p.m. for an additional \$15 per week. Camp is at Beth Sholom Congregation, near Ferndale Elementary. Enter through the staircase and ramp off the back parking lot. *Please pack a lunch. Refrigeration available. 20 kids will be accepted for each camp.*

## **MODERN MASTERS** June 8-12

Calling all art lovers! We'll use nature's paintbrushes—flowers, feathers and ferns—to make masterpieces, use tissue paper as paint, craft seed mosaics and make snazzy art from JUNK. We'll even try our hand at graffiti!

## **JUNIOR VETS** June 15-19

Learn about small and large animals. Visit an elephant zoo. You're a vet-in-training in this exciting camp that includes a visit from a real vet and a junior stethoscope to take home and keep.

## **AMAZING ARCHITECTS**

**June 22-26**

Design and build your own town complete with LEGO buildings, card towers, spaghetti bridges and marshmallow structures. We'll design a bridge that spans a 1-foot distance and learn how to build the strongest structures.

## **DESTINATION SPACE**

**June 29-July 3**

Earth to Galileo! Journey in to space as we celebrate the International Year of Astronomy. Create planets, learn what happens when meteorites collide, launch bottle rockets and help NASA scientists explore Mars!

## **GO GREEN!** July 6-10

Reduce, reuse, recycle. That's our motto as we explore ways to keep our planet healthy. We'll create sculptures using recycled materials, build musical instruments using natural materials and learn creative ways to GO GREEN!

## **INSPIRED INVENTORS**

**July 13-17**

There's a little Einstein in all of us! Join us as we create and test our own inventions and explore the creation of modern machines. We'll also design, build and experiment with submarines and balloon-powered cars.

## **ABRA-KID-ABRA** July 20-24

Voila! We'll turn you into a modern day Houdini in this cool camp that's all about slight of hand. We'll mix potions, walk through paper and master coin tricks. You'll even learn to make a handkerchief dance!

## **MYSTERIES, MYTHS & PUZZLES** July 27-31

Decode ancient hieroglyphics and write your own secret codes. Learn how to turn on a light bulb by touching it and test modern myths. This camp is for mystery lovers!

## **NATURAL DISASTERS**

**August 3-7**

Examine floods, fires, storms and earthquakes. Make your own tornado. Step inside our giant earth balloon for a look at our planet, from the inside out. *\*Field trip and picnic to Disaster's Edge Environmental Center an additional \$20.*

## **CURTAIN CALL** August 10-14

Join us as we create human machines and human bumper cars. Learn different styles of acting, including improvisation. Build your acting skills and practice role playing in this camp that's all about being someone else.

## **YOUNG STORYTELLERS**

**August 17-21**

Have a story to tell? This is the place! Learn how to write rap music, pen a GIANT poem, create your own characters and invent a crazy tale.

Register for our Westmont School-Age  
camps by calling 262-0732!

# Summer Skill Builders

It's never too early to give your child a jumpstart on the school year. The Learning Lamp's Summer Skill Builders encourage students to practice math and reading skills in a small group setting under the guidance of a certified teacher. It's an affordable way to offer the extra practice your child needs to excel in school. All Classes will be held at our learning center at 108 College Park Plaza in Richland Township. Scholarships are available. Please ask for details. Class size is limited, so call (814) 262-0732 today to reserve your spot today!

## ***READING REVIEW Grades 1 & 2***

Reading activities in this class will help students develop text concepts including sight-word vocabulary, main characters and syllable structure. Instruction will be presented in a way that makes learning fun for young students.

Dates: July 27-30 and August 3-6

Time: 9 – 10 a.m.

Tuition: \$89

## ***MATH FACTS Grades 1 & 2***

A math skills review class with a twist! We'll reinforce basic math facts through fun games like Corduroy's Math Game, Fact Family Fishing, M & M math graphing and more! Concepts will be presented in a way that makes learning fun for young students.

Dates: July 27-30 and August 3-6

Time: 10:30 -11:30 a.m.

Tuition: \$89

## ***READING REVIEW Grades 3 & 4***

Literacy activities in this class will help students increase their reading rate. Students will also practice prefix and suffix recognition, work on vocabulary development and identifying literary genres.

Dates: July 27-30 and August 3-6

Time: 12:30 -1:30 p.m.

Tuition: \$89

## ***MATH FACTS Grades 3 & 4***

Join us for a refresher course in math facts and more! We'll tackle fractions, decimals, place values, multiplication and division. The class will also touch on problem solving strategies and probability in a fun way.

Dates: July 27-30 and August 3-6

Time: 2 - 3 p.m.

Tuition: \$89

## ***READING COMPREHENSION & LITERACY Grades 5 & 6***

This class offers advanced reading strategies aimed at helping students develop comprehension of different types of writing such as expository, persuasive and functional text. Vocabulary development, examining plot structures and character point of view and creative writing forms will also be examined.

Dates: August 10-13

Time: 9 - 11 a.m.

Tuition: \$89

## ***PRE-ALGEBRA Grades 5 & 6***

An introduction to topics and functions including: numeric fractions, operations on exponents and reciprocals. We'll also review step-by-step strategies for solving equations.

Dates: August 10-13

Time: 11:30 a.m. - 1:30 p.m.

Tuition: \$89
