

# Looking for an Affordable, Effective Alternative Education Program?

- Custom-designed for your school or region
- Twilight programs at your school building or off-site
- Regional/consortium programs
- You choose the curriculum

At The Learning Lamp, we believe every student should have the opportunity to succeed in school. Our Alternative Education Programs are designed to keep students on track for graduation by helping them resolve the academic and behavioral issues that stand in the way.

As a PA Department of Education-approved private provider of alternative education, we can offer your school options for meeting the needs of struggling students.

We handle the planning, hiring and

implementation, while you maintain control of the academic content. It's a partnership that meets the needs of your students, while saving you time, stress and money.

Our programs offer the least restrictive environment and quicker transition of students back into the traditional school setting. It's an affordable, logical solution to your increasing alternative education costs. For more information, call us at 814-262-0732.
