Employee Communication – 3/27/2020

"We have been following federal legislation closely and will update you on Monday with any news. In the meantime, make sure you have signed up for unemployment and report your earnings biweekly once you are assigned your PIN.

In order to get back to work sooner, let's all try to be part of stopping the spread and follow these "DO THE FIVE" guidelines suggested by the World Health Organization:

1. HANDS - Wash them often.
2. ELBOW - Cough into it.
3. FACE - Don't touch it.
4. SPACE - Keep safe distance.
5. HOME - Stay if you can.

We look forward to the day we are all back to on the job meeting the needs of the region's children and families. Have a great weekend and stay safe!"
