## **Employee Communication – 4/15/2020**

“A lot of our employees will be off work until the school year starts back up in the fall and we understand how challenging this will be financially. We wanted to pass along a temporary job opportunity that may help during this time. The U.S. Census Bureau is currently hiring for their 2020 Census for a variety of positions at various wages starting at \$15.50 per hour. Their operations are currently paused, but they are still accepting applications for when they can resume. More information on how to apply and frequently asked questions can be found at: <https://2020census.gov/en/jobs.html>.

Hopefully as the days go by, more of you are getting the information you need to complete your unemployment biweekly filings and receive your earnings. As always, I will be happy to assist the best I can with any questions you may have. You can also use the online chat feature on the unemployment website once you have received your PIN or email the help line at [uchelp@pa.gov](mailto:uchelp@pa.gov) for specific questions.

We appreciate your patience and understanding during this ongoing challenge and hope you all are remaining safe and healthy. We hope to be back to work soon!”

The mission of The Learning Lamp is to engage all children in the support they need to succeed. The Learning Lamp is a 501(c)(3) nonprofit organization, donations to which are tax deductible to the fullest extent permitted by law. The official registration and financial information of The Learning Lamp may be obtained from the Pennsylvania Department of State by calling toll free within Pennsylvania; 1-800-732-0999. Registration does not imply endorsement.
