Employee Communication – 9/24/2020

“Good morning!

Working for The Learning Lamp and Ignite Education Solutions is a fun and rewarding experience. We need more people like you to help us achieve our mission! If you know someone who is looking for work and has a passion for helping children succeed, please refer them to us.

We are currently looking for staff to work in our child care and before and after school programs. These positions offer flexible hours, room for advancement and options for free or significantly reduced tuition rates to pursue a degree in early education. We also have openings across many of our Ignite programs including substitute teachers and permanent and substitute aides. For a complete list of opening please click [here](#).

If someone you referred is chosen for a position and works at least 30 days, you are eligible to receive incentives like movies tickets and free t-shirts through our employee referral program. Our programs cannot run without hardworking folks like you, so please spread the word and help us find new applicants that can carry out our mission just like each one of you!

Any interested candidates can apply online or reach out to our HR Recruiter, Kayla Balamuta, at kbalamuta@thelearninglamp.org.”

The mission of The Learning Lamp is to engage all children in the support they need to succeed.
