KIDS: DAY OUT!

SPRING SEMESTER
2020-21 SCHOOL YEAR

Kids’ Day Out is for students in grades K-6. It provides a full day of exciting activities on days when school is not in session but parents are working. Days include Martin Luther King, Jr. Day, Teacher In-Service Days, snow days and more. **Dates are based on the North Star School District calendar.**

The program takes place at the Jennerstown Child Care Center located at 131 Schoolhouse Road, Jennerstown, PA 15547. **Tuition is $23 and students must bring a lunch.** Tuition includes all scheduled activities. Drop off begins at 6 a.m. and pick-up as late as 6 p.m. A minimum of 5 students must enroll for the program to run. To reserve your spot, call 814-629-5345.

Do You Have a Dream?
January 18
With Martin Luther King, Jr. as our inspiration, we’ll share our own visions of how we can make positive changes in our world.

Will You Be My Valentine?
February 15
We’re on a trip to Rome where we’ll travel back in time to find the origin of Valentine’s Day. We’ll make valentines for our friends and family too!

Go Green
March 8
Reduce, reuse, recycle. We’ll learn about pollution and brainstorm ways to reduce it. We’ll also make our own litter bugs out of egg cartons.

Hurray for PA
April 1
Learn all about the Keystone State as we write our own Kids’ Day Out Declaration of Independence, design flags like Betsy Ross, and play a game of sticky toffee tag.

Stargazing
April 2
Spend the day traveling the solar system! Learn fun facts about planets, imagine living on the moon and craft rocket ships that will take us to outer space.

Popcorn Craze
April 5
We’ll explore all there is to know about this delicious treat, from its history to fun facts. We’ll create popcorn pop art and explore our senses by sampling and describing popcorn.

 Weird Science
May 6
Let’s get messy! We’ll make bouncing bubbles, perform experiments on melting ice and learn about air pressure and density using an egg and a glass jar.

Animal Kingdom
May 7
Spend the day learning all about animals! We’ll craft animal masks out of paper plates, mimic the movements of animals and learn about different habitats.

Fun in the Sun
May 27
Explore all things summer as we learn why summer happens and what types of plants grow only in warm weather. We’ll craft watermelons from paper plates, personalize baseballs, and make flowers.
